ITEM-1: ROLL CALL.

ITEM-10: INVOCATION.

ITEM-20: PLEDGE OF ALLEGIANCE.

SPECIAL ORDERS OF BUSINESS

ITEM-30: San Diego Blood Bank and Las Patronas.

COUNCILMEMBER PETERS' RECOMMENDATION:

Adopt the following resolution:

(R-2003-152)

Commending Las Patronas for its generous support of and service to the San Diego Blood Bank, its historic Disaster Readiness Fund, and the greater San Diego community.

SPECIAL ORDERS OF BUSINESS

ITEM-31: Fred Baranowski Day.

COUNCILMEMBER WEAR'S RECOMMENDATION:

Adopt the following resolution:

(R-2003-171)

Proclaiming July 29, 2002 to be “Fred Baranowski Day” in the City of San Diego.

SPECIAL ORDERS OF BUSINESS

ITEM-32: Retired Senior Volunteer Patrol Day.

COUNCILMEMBER ATKINS’ RECOMMENDATION:

Adopt the following resolution:

(R-2003-130)

Commending the Retired Senior Volunteer Patrol for their outstanding record of community service, and recognizing the efforts of RSVP to improve the lives of all San Diegans;

Proclaiming July 29, 2002 to be “Retired Senior Volunteer Patrol 10th Anniversary Day” in the City of San Diego.

SPECIAL ORDERS OF BUSINESS

ITEM-33: John and Lynn Swanson Day.

COUNCILMEMBER MADAFFER’S RECOMMENDATION:

Adopt the following resolution:

(R-2003-136)

Recognizing and appreciating John and Lynn Swanson by proclaiming August 15, 2002 to be “John and Lynn Swanson Day” in the City of San Diego, commemorating their combined sixty years of dedicated public service to the residents of San Diego.

SPECIAL ORDERS OF BUSINESS

ITEM-34: Associated General Contractor’s Day.

COUNCILMEMBER MAIENSCHIEIN’S RECOMMENDATION:

Adopt the following resolution:

(R-2003-88)

Proclaiming Monday, July 29, 2002, to be “Associated General Contractors of America Day” in the City of San Diego, in recognition of the contributions made to

the City and the general public by the San Diego Chapter of the Associated General Contractors of America, Inc.

SUPPORTING INFORMATION:

The Associated General Contractors of America (AGC) is the nation's largest and oldest construction trade association. The San Diego Chapter, which includes over 800 general contractors, subcontractors, and suppliers of construction materials and services, is celebrating its 75th year in San Diego on August 10, 2002. AGC's membership is dedicated to improving the construction industry by employing the finest skills, promoting the latest technology, and advocating building the best quality projects for public and private owners. AGC contractors build the buildings we work, in the schools our children learn, in the facilities we play in, the hotels visitors stay in, and the roads and bridges we drive on.

AGC's apprenticeship program with over 700 apprentices working during the day and training in nine different trades in evening, ensures a skilled and quality workforce that is ready to meet San Diego's construction needs. The AGC has partnered with the City of San Diego in a successful Mentor-Protégé Program that assists emerging businesses with the instruction on how to run a reputable profitable construction company. AGC has partnered with the San Diego Unified School District to begin a "Construction Tech Academy" at Kearney High School, which immerses students in a rigorous learning environment that captures student interest in engineering, architecture, and construction-related careers. AGC has partnered with San Diego State University to establish a construction management and engineering department, which prepares engineers to work for construction firms right out of school and provide local firms with a stable recruiting tool. Therefore, proclaiming July 29, 2002 as "Associated General Contractors Day" in recognition of his many outstanding contributions and service to the City of San Diego.

REQUESTS FOR CONTINUANCE

The Council will now consider requests to continue specific items.

CONSENT ITEMS

The following listed items are considered to be routine, and the appropriate Environmental Impact Reports have been considered. These items are indicated on the docket by a preceding asterisk (*).

ORDINANCES INTRODUCED AT A PREVIOUS MEETING, READY FOR DISPENSING WITH THE READING AND ADOPTION:

Item 50.

ORDINANCES TO BE INTRODUCED:

None.

RESOLUTIONS TO BE ADOPTED:

Items 100, 101, 102, 103, 104, 105, 106, 107, 108, 109, 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120 and 121.

ADOPTION AGENDA, CONSENT ITEMS

ORDINANCES INTRODUCED AT A PREVIOUS MEETING, READY FOR DISPENSING WITH THE READING AND ADOPTION:

* ITEM-50: Lease Amendment - Rio Vista Tower - Padres.

(Mission Valley Community Area. District-6.)

CITY COUNCIL'S RECOMMENDATION:

Adopt the following ordinance which was introduced on 7/15/2002. (Council voted 6-3. Councilmembers Atkins, Maienschein, and Frye voted nay):

(O-2003-29)

Authorizing the City Manager to execute the First Amendment to Lease Agreement with Hyundai Rio Vista, Inc., at an initial monthly rent of \$43,252.30;

Authorizing the City Auditor and Comptroller to expend an amount not to exceed \$84,549.79 from Fund No. 10330, Dept. 930 for FY2002.

NOTE: 6 votes required pursuant to Section 99 of the City Charter.

ADOPTION AGENDA, CONSENT ITEMS

RESOLUTIONS

* ITEM-100: Two actions related to Advertising for Bids and Awarding a Contract for South Miramar Landfill Slope Stabilization.

(Miramar Marine Corps Air Station Community Area. District-5.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolutions:

Subitem-A: (R-2003-80)

Approving the plans and specifications for the furnishing of all labor, material, tools,

equipment, transportation and other expense necessary or incidental and inviting bids for the Construction of South Miramar Landfill Slope Stabilization on Work Order No. 320190;

Authorizing the City Manager to execute a contract with the lowest responsible bidder;

Authorizing the expenditure of an amount not to exceed \$850,833 from CIP-32-019.0, South Miramar Landfill Improvements, Environmental Services Enterprise Fund, Fund No. 41201, provided that the City Auditor and Comptroller first furnishes a certificate demonstrating that the funds necessary for the expenditure are, or will be, on deposit in the City Treasury;

Authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves. (BID-K02246C)

Subitem-B: (R-2003-81)

Certifying that Mitigated Negative Declaration LDR-40-0065 has been completed in compliance with the California Environmental Quality Act of 1970 (California Public Resources Code Section 21000 et seq.), as amended, and the State guidelines thereto (California Code of Regulations section 15000 et seq.), that the declaration reflects the independent judgement of the City of San Diego as Lead Agency and that the information contained in the report, together with any comments received during the public review process, has been reviewed and considered by the Council in connection with the approval of the Construction of South Miramar Landfill Slope Stabilization;

Declaring that the Council finds that project revisions now mitigate potentially significant effects on the environment previously identified in the Initial Study and approving Mitigated Negative Declaration LDR-40-0065;

Adopting the Mitigation Monitoring and Reporting Program;

Directing the City Clerk to file a Notice of Determination (NOD) with the Clerk of the Board of Supervisors.

CITY MANAGER SUPPORTING INFORMATION:

The 192-acre South Miramar Landfill is located on Marine Corps Air Station (MCAS) Miramar southerly of the current West Miramar Phase II land filling operations. It was operated from December 7, 1959 to May 5, 1973, and was closed in accordance with the terms and conditions of a lease with the United States Navy.

The Regional Water Quality Control Board (RWQCB) issued a notice to the City to correct side slope erosion noted during an inspection. Drainage from a tributary canyon discharging into San Clemente Canyon has exposed trash and impaired slope stability of the landfill.

The proposed remediation includes the placement of rock drop structures and gabions in the unvegetated creek channel. The project has been reviewed under CEQA and a Negative Declaration, LDR-40-0065, dated April 6, 2000, covering this activity was adopted by the City Manager on April 10, 2000, by Document No. C-09985. A Mitigation and Monitoring Program addresses Biological Resources/Sensitive Habitat and Temporary Water Quality/Construction Impact Issues.

FISCAL IMPACT:

The estimated construction cost for this project is \$850,833. Funds are available from the Environmental Services Enterprise Fund 41201, CIP-32-019.0, South Miramar Landfill Improvements.

* ITEM-101: First Amendment to Consultant Agreement with Berryman and Henigar, Inc.

(See memorandum from Mark Stone dated 6/21/2002.)

TODAY'S ACTION IS:

Adopt the following resolution:

(R-2002-1450)

Authorizing the City Manager to execute a First Amendment to Agreement with Berryman and Henigar for consultant services;

Authorizing the expenditure of an amount not to exceed \$8,500 from Water Revenue Fund 41500.

NATURAL RESOURCES AND CULTURE COMMITTEE'S RECOMMENDATION:

On 6/26/2002, NR&C voted 5-0 to approve. (Councilmembers Peters, Wear, Frye, Madaffer, and Inzunza voted yea.)

CITY MANAGER SUPPORTING INFORMATION:

On December 22, 2000, the City Council approved a consultant agreement with Berryman and Henigar, Inc. in the amount of \$80,000, to assist the Water Department in preparing a Watershed Sanitary Survey for all of the City's reservoirs and watersheds which is required by the State of California Department of Health Services. This amendment is for additional services for Berryman

and Henigar, Inc. to complete the work under this consultant agreement.

The additional services include redoing statistical analysis on revised information provided by the Water Department and recreating portions of the 1996 Watershed Sanitary Survey (Surveys) in electronic form. These services were necessary because of problems with data sets which the City provided the consultant and because not all portions of the Surveys were in electronic form. These services required additional time not contemplated under the original consultant agreement in order to deliver an acceptable work product to the State Department of Health Services. The additional services have been provided to the satisfaction of the Water Department.

FISCAL IMPACT:

The amount of \$8,500.

* ITEM-102: Agreement with Brown and Caldwell to Prepare Watershed Development Guidelines.

(See memorandum from Mark Stone dated 6/21/2002.)

TODAY'S ACTION IS:

Adoption of the following resolution:

(R-2002-1709)

Authorizing the City Manager to execute an Agreement with Brown and Caldwell, to prepare Watershed Guidelines for City Reservoirs;

Authorizing the expenditure of an amount not to exceed \$350,000 from Water Revenue Fund 41500.

NATURAL RESOURCES AND CULTURE COMMITTEE'S RECOMMENDATION:

On 6/26/2002, NR&C voted 5-0 to approve. (Councilmembers Peters, Wear, Frye, Madaffer and Inzunza voted yea.)

CITY MANAGER SUPPORTING INFORMATION:

The City of San Diego has nine (9) raw water storage reservoirs. These reservoirs capture local runoff, provide on average, 20% of the City's water supply and store imported water to meet emergency and daily operational needs. The reservoirs are key, indispensable components of the

regional water supply system. Six (6) of the reservoirs, and nearly all of the water shed lands draining into these reservoirs, are located outside of the City.

A multi-barrier approach to protection of drinking water quality is the best method for insuring that healthful, high quality water supply. The multiple barriers are protection of the water supply at its source, filtration and disinfection at the water treatment plant, and delivering treated water through a closed, secure distribution system.

The Water Department does a good job of providing all the barriers, with the possible exception of source water protection. The City faces significant challenges protecting its source water supply because so much of the watershed areas are outside of its jurisdiction and thus, are outside of the City's jurisdictional sphere of authority for land use planning, zoning, and building code issues. Watershed sanitary surveys prepared in 1996 and updated in 2001 identify urban runoff, new construction, and new development activities in the water sheds as the most significant existing and potential sources of contamination to the source water reservoirs.

At present the Water Department reviews new developments in its watersheds as the information is provided through the CEQA process. Development review is conducted on a case-by-case basis without the benefit of an overall strategy to ensure protection of source water. There is a need to establish uniform watershed development guidelines for source water protection.

The Proposed Agreement would formulate watershed development guidelines specific to the protection of drinking water resources in each of the City's reservoir watersheds. The purpose of the guidelines is to ensure that future land use changes occur in ways that minimize adverse impacts to surface water quality and protect the City's local source waters. Land developers may use the guidelines in conceiving and designing projects located on watershed lands. City staff and possibly other local agencies will use the guidelines as part of the development review/comment/approval process. Building on existing land use, zoning, and building code regulations, a suite or menu of guidelines for new development will be created. The guidelines will be provided as both a written manual and as an interactive web-based GIS format. The guidelines will include, but are not limited to, best management practices (BMP's) for construction and new development, recommendations for long-term maintenance and monitoring of BMP effectiveness, and public information and outreach strategies. Stakeholder involvement (e.g. County, Forest Service) will be solicited and be critical in formulating guidelines.

Planning for protection of source water by creating watershed development guidelines will provide a road map for the protection of drinking water, will increase the reliability of the water supply system and could reduce the cost of treatment.

FISCAL IMPACT:

The Total cost for this consultant contract is \$350,000 and funding is available from Water Revenue Fund 41500.

* ITEM-103: Point Loma/Ocean Beach Traffic Signal Interconnect System.

(Midway/Ocean Beach/Peninsula Community Areas. District-2.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2003-102)

Authorizing the City Manager to accept the Program Supplement in an amount not to exceed \$630,000 of Federal Congestion Mitigation and Air Quality Funds [CMAQ] Fund No. 38696, for the design and construction of CIP-62-285.0, Point Loma/Ocean Beach Traffic Signal Interconnect System;

Authorizing the City Auditor and Comptroller to appropriate and expend an amount not to exceed \$630,000 CMAQ Fund No. 38696, for the design and construction of CIP-62-285.0, Point Loma/Ocean Beach Traffic Signal Interconnect System, contingent upon receipt of fully executed Program Supplements;

Authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer funds to the appropriate reserves, provided that the City Auditor and Comptroller first furnishes a certificate demonstrating that the funds necessary for such expenditures are, or will be, on deposit with the City Treasurer.

CITY MANAGER SUPPORTING INFORMATION:

This project will install traffic signal interconnect on the following streets:

- 1) Nimitz Boulevard between Lowell Street and West Point Loma Boulevard.
- 2) Sunset Cliffs Boulevard between Santa Monica Avenue and West Point Loma Boulevard.
- 3) Sports Arena Boulevard between Midway Drive and Rosecrans Street.
- 4) West Point Loma Boulevard between Sunset Cliffs Boulevard and Sports Arena Boulevard.
- 5) Rosecrans Street between Sports Arena Boulevard and Pacific Highway.
- 6) Catalina Boulevard between Nimitz Boulevard and Point Loma Avenue.
- 7) Chatsworth Boulevard between Narragansett Avenue and Voltaire Street.

8) Voltaire Street between Sunset Cliffs Boulevard and Ebers Street.

FISCAL IMPACT:

The total cost of this project is \$630,000 which is reimbursable by a Federal (CMAQ) grant.

* ITEM-104: Rancho Bernardo Traffic Signal Interconnect System.

(Rancho Bernardo Community Area. District-5.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2003-104)

Authorizing the City Manager to accept the Program Supplement in an amount not to exceed \$750,000 of Federal Congestion Mitigation and Air Quality Funds (CMAQ) (Fund No. 38697) for design and construction of CIP-62-327.0, Rancho Bernardo Traffic Signal Interconnect;

Authorizing the City Auditor and Comptroller to appropriate and expend an amount not to exceed \$750,000 of CMAQ Funds (Fund No. 38697) for design and construction of CIP-62-327.0, Rancho Bernardo Traffic Signal Interconnect, contingent upon receipt of fully executed Program Supplements;

Authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer funds to the appropriate reserves, provided that the City Auditor first furnishes a certificate demonstrating that the funds necessary for such expenditures are, or will be, on deposit in the City Treasury.

CITY MANAGER SUPPORTING INFORMATION:

This action authorizes the City Manager to accept, appropriate, and expend \$750,000 of CMAQ funds, Fund 38697, for the CIP-62-327.0, Rancho Bernardo Traffic Signal Interconnect. This project provides for a traffic signal interconnect and central communications to 37 traffic signals in Rancho Bernardo.

Twisted pair interconnect will be installed on Pomerado Road, Rancho Bernardo Road, Bernardo Center Drive, West Bernardo Drive, Paseo Lucido, Via del Campo, Bernardo Heights Parkway, and

Camino del Norte. Central communications will be achieved by wireless communication lines or by connecting to a proposed addition to the fiber optic network (separate project). The cost of this project is estimated to be \$750,000 for design, construction, and construction engineering.

FISCAL IMPACT:

The total cost of this project is \$750,000, which is reimbursable by a Federal (CMAQ) grant.

* ITEM-105: North Metro Interceptor Diversion 3A - Additional Project Costs.

(See memorandum from Scott Tulloch dated 6/19/2002, and Equal Opportunity Contracting Program Evaluation. Linda Vista, Mission Valley Community Areas. District-6.)

TODAY'S ACTION IS:

Adopt the following resolution:

(R-2003-106)

Authorizing the City Manager to negotiate and execute with Mitchell Pacific Contractors, Inc., Construction Change Order No. 4 (for differing site conditions) to the North Metro Interceptor Diversion 3A Project, for an amount not to exceed \$278,000;

Authorizing the City Manager to negotiate and execute with Mitchell Pacific Contractors, Inc., Construction Change Order No. 6 (for dewatering fee) to the North Metro Interceptor Diversion 3A Project, for an amount not to exceed \$1,280,000;

Authorizing the City Auditor and Comptroller to transfer \$1,278,000 from Fund 41508, CIP-45-937.0, Point Loma - Site Improvements to Fund 41508, CIP-46-104.0, North Metro Interceptor Diversion 3A;

Authorizing the expenditure of an amount not to exceed \$1,278,000 from Fund 41508, CIP-46-104.0, North Metro Interceptor Diversion 3A, for additional project contingency provided that the City Auditor and Comptroller first furnishes one or more certificates demonstrating that the funds necessary for expenditure are, or will be, on deposit with the City Treasurer;

Authorizing the City Auditor and Comptroller to transfer excess budgeted funds, if

any, to the appropriate reserves on advice of the administering department.

NATURAL RESOURCES AND CULTURE COMMITTEE'S RECOMMENDATION:

On 6/26/2002, NR&C voted 3 to 1 to approve. (Councilmembers Wear, Frye, and Inzunza voted yea. Councilmember Madaffer voted nay. Councilmember Peters not present.)

CITY MANAGER SUPPORTING INFORMATION:

The North Metro Interceptor Diversion 3A project is currently under construction. This project is the final phase of a series of projects designed to divert significant flows away from the old North Metro Interceptor, a 96-inch diameter unlined reinforced concrete pipe built in the 1960s. When the flows are diverted, the original pipeline interior will be inspected, and repairs will be completed under a separate contract. As authorized by the City Council on November 27, 2000, Resolution R-294298, the City Manager executed a contract with Mitchell Pacific Contractors, Inc. in the amount of \$2,927,470 for construction of this project.

Additional funds are required to compensate the contractor for additional differing site conditions encountered in Friars Road. While drilling to set 23 shoring beams in a 64-foot section between station 0+25 and 0+89, buried rip-rap, rubble, steel debris and cement slurry was encountered in 17 of the borings. The same was encountered in 6 of 11 dewatering wells installed in the same vicinity. An extra level of effort was required to drill through this material, and in some instances, the borings had to be abandoned and relocated. As the excavation proceeded, this assorted material and debris had to be removed and disposed of as well. The existence of this material was not known during the design nor located during geotechnical explorations. Change Order #4 in an amount not to exceed \$278,000 is required to compensate the contractor for this work.

The project is required to have an Industrial Waste Discharge Permit from the City for the disposal of water, extracted during construction dewatering, to the sewer system. Existing funds in the contract for this item are insufficient due to the volume of water encountered. Due to the site proximity to the river and water migrating in existing pipe trenches, an exceptionally large volume of ground water has been encountered and extracted.

Dewatering is expected to continue through the end of the project in August 2002 and total volume is estimated to reach 180,000,000 gallons. Dewatering discharge fees are due and payable to the Metropolitan Wastewater Department's Industrial Waste Program. The fees are based on volume and vary based on total suspended solids the discharge fee is a reimbursable contract item and additional funds are required to compensate the contractor. Change Order #6 in an amount not to exceed \$1,280,000 is required to compensate the contractor for these fees.

FISCAL IMPACT:

The total cost of Change Orders #4 and #6 is \$1,558,000. Additional project funds of \$1,278,000 are needed to fund this action. Funding is available from Fund 41508 CIP-46-104.0, North Metro Interceptor Diversion 3A.

ADOPTION AGENDA, CONSENT ITEMS
RESOLUTIONS

* ITEM-106: Initiation of an Amendment to the Tierrasanta Community Plan.

(Tierrasanta Community Area. District-7.)

COUNCILMEMBER MADAFFER'S RECOMMENDATION:

Adopt the following resolution:

(R-2003-145)

Initiating a Community Plan Amendment to delete specified circulation elements.
Specifically, the road segments proposed to be deleted from the community plan are:

1. Tierrasanta Boulevard: Colina Dorado to Mission Gorge Road.
2. Clairemont Mesa Boulevard: Rueda Drive to Jackson Drive.
3. Jackson Drive: Mission Gorge Road to SR-52.
4. Santo Road: Patriot Street to Ambrosia Drive.

CITY MANAGER SUPPORTING INFORMATION:

The Transportation Element of the adopted Tierrasanta Community Plan proposes a circulation system intended to adequately accommodate the traffic generated by the Tierrasanta community and surrounding area upon buildout. The Element includes several street segments which have not been built to date, including portions of Santo Road, Tierrasanta Boulevard, Clairemont Mesa Boulevard, and Jackson Drive. The Tierrasanta Community Council supports removal of these segments from the Tierrasanta Community Plan in order to prevent increased through-traffic within the community which would likely be generated by the completion of these segments. Specifically, the road segments proposed to be deleted from the community plan are:

1. Tierrasanta Boulevard: Colina Dorado to Mission Gorge Road.
2. Clairemont Mesa Boulevard: Rueda Drive to Jackson Drive.
3. Jackson Drive: Mission Gorge Road to SR-52.
4. Santo Road: Patriot Street to Ambrosia Drive.

The amendment would also include the deletion of the bikeway from the Tierrasanta Boulevard terminus to Mission Gorge Road, and possibly other bikeways associated with the deleted road segments.

This action will authorize the City Manager to begin the land use plan amendment process. Specifically, City staff will be able to analyze the potential impacts of the proposed amendment and prepare any required supporting documentation in accordance with Chapter 12, Article 2, Division 1 (Adoption and Amendment Procedures for Land Use Plans) of the Land Development Code.

* ITEM-107: Two actions related to Commercial Landscape Survey Program.

(See City Manager Report CMR-02-147 and Landscape Irrigation Estimate.)

TODAY'S ACTIONS ARE:

Adopt the following resolutions:

Subitem-A: (R-2003-70)

Authorizing the City Manager to implement a commercial landscape survey program for the City of San Diego to provide voluntary water budgets and landscape.

Subitem-B: (R-2003-71)

Authorizing the City Manager to execute a two-year agreement with the San Diego County Water Authority to jointly fund a commercial landscape survey program, under the terms and conditions set forth in the Memorandum of Understanding;

Authorizing the City Auditor and Comptroller to deposit funds received from the County Water Authority for the above program.

NATURAL RESOURCES AND CULTURE COMMITTEE'S RECOMMENDATION:

On 6/26/2002, NR&C voted 5 to 0 to approve the City Manager's recommendation and direct staff to:

- A. Comprehensively review all related costs in upgrading the current computer system. Seek input from the Public Utilities Advisory Commission before reporting back to the Natural Resources and Culture (NR&C) Committee;
- B. Review the ability of the Water Resources Landscape Database system to analyze the use of pesticides, chemicals, and fertilizers;
- C. Provide an explanation of the current and possibly proposed discretionary landscape development permits before the item is heard before the full City Council.

(Councilmembers Peters, Wear, Frye, Madaffer, and Inzunza voted yea.)

* ITEM-108: FY 2002 California Arts Council Exemplary Arts Education Program.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2003-105)

Authorizing the City Manager to accept the CAC Exemplary Arts Education Program in the amount of \$20,000 for Fiscal Year 2002 and Fiscal Year 2003, and to implement related activities in partnership with the District;

Authorizing the City Auditor and Comptroller to expend the CAC grant in the amount of \$20,000.

CITY MANAGER SUPPORTING INFORMATION:

The California Arts Council (CAC) established the Exemplary Arts Education Program to fund exemplary (highest ranked) grantees that have established arts in education programs. The City of San Diego Commission for Arts and Culture (Commission) was invited to apply because it maintains the highest rank of "4" with the CAC, it has existing arts education programs funded through the CAC and an established relationship with the San Diego Unified School District (District). The CAC's purpose for the EAEP is to fund the creation of programs that provided added value to the role arts education plays in the District's curriculum as well as methods for evaluating and documenting the funded project and its outcomes. The Commission's purpose for applying was to aid in fulfilling the role it plays in the San Diego Arts Education Partnership, a collaborative effort of the Commission, the District and San Diego's arts and culture community responsible for ensuring that high quality, curriculum-based arts education programs and services are offered to every student in the District.

The Commission was the lead applicant for the EAEP proposal that provides professional development workshops for District and local arts and culture organization staff members as well as evaluation of its outcomes and study of current research in the field through the creation of a Professional Development Cadre. The Cadre is composed of 16 individuals from the District, arts and culture and higher education communities who are learning to train others to teach in the arts using high quality professional development techniques in a dedicated setting.

The funded contract is effective from December 1, 2001 through December 30, 2002. It is in the amount of \$20,000. No matching funds are required. Funds will be used by the Commission during FYs' 2002 and 2003 to implement workshops and programs that fulfill the Commission's commitment to arts education in the schools while meeting the needs of the Partnership's and the CAC's funding program.

* ITEM-109: Installation of One-Way Conversion for Five Streets in Centre City.

(Centre City Community Area. District-2.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2003-91)

Declaring installation of one-way conversions for the following five streets, pursuant to authority conferred by and in accordance with the provisions of Section 82.19 of the San Diego Municipal Code:

1. Sixth Avenue, southbound operation, between Island Avenue and L Street.
2. Seventh Avenue, northbound operation, between Market Street and L Street.
3. Tenth Avenue, southbound operation, between Market Street and Park Boulevard.
4. Eleventh Avenue, northbound operation, between Market Street and Park Boulevard.
5. K Street, eastbound operation, between Sixth Avenue and Seventh Avenue.

Authorizing the installation of the necessary signs and markings; the regulations imposed shall become effective upon the installation of the signs.

CITY MANAGER SUPPORTING INFORMATION:

This action is part of East Village Redevelopment and Ballpark General Plan.

This action is to install one-way conversion for Sixth Avenue, Seventh Avenue, Tenth Avenue, Eleventh Avenue and K Street.

- (1) Convert Sixth Avenue to a one-way street, southbound operation (between Island Avenue and L Street).
- (2) Convert Seventh Avenue to a one-way street, northbound operation (between Market Street and L Street).
- (3) Convert Tenth Avenue to a one-way street, southbound operation (between Market Street and Park Boulevard).
- (4) Convert Eleventh Avenue to a one-way street, northbound operation (between Market Street and Park Boulevard).
- (5) Convert K Street to a one-way street, eastbound operation (between Sixth Avenue and Seventh Avenue).

Council approval is required for designating a one-way street or alley, according to San Diego Municipal Code Section 82.19.

The proposed circulation pattern is consistent with the circulation in the rest of the Downtown. The Tenth Avenue/Eleventh Avenue couplet is in conformance with the Council-Certified Master Environmental Impact Report (MEIR) for the Ballpark and Ancillary Developments.

In addition, The Centre City Development Corporation (CCDC), in coordination with residents and the East Village area of Centre City are in support of the following changes. CCDC received input for these proposals at a number of widely advertised community meetings. The conversion of Sixth Avenue, Seventh Avenue, and K Street to one-way streets is supported by petitions received from the owners of more than 50% of the fronting properties, and also has the support of CCDC. The proposed circulation plan insures that access to business and properties is not adversely affected.

The City Manager recommends approval of this action.

- * ITEM-110: Two actions related to Authorizing Additional Expenditure for Alvarado Water Treatment Plant - Earl Thomas Reservoir Replacement.

(See memorandum from Mark Stone dated 5/9/2002. Navajo Community Area. District-7.)

TODAY'S ACTIONS ARE:

Adoption of the following resolutions:

Subitem-A: (R-2002-1526)

Authorizing the City Manager to accept the second lowest bid and award a phase funded construction contract to C.E. Wylie Construction Company for the Earl Thomas Reservoir Replacement Project in the amount of \$25,511,000, provided that the City Auditor and Comptroller first furnishes one or more certificates demonstrating that funds necessary for expenditure under established contract funding phases are, or will be, on deposit with the City Treasurer;

Authorizing the City Manager to execute Contract Change Order No. 1, in the amount of \$811,912, which transfers most of the cost of insuring the project from the City's Owner Controlled Insurance Program to C.E. Wylie Construction Company;

Authorizing the additional expenditure of an amount not to exceed \$2,950,895 from Water Fund No. 41500, CIP-73-261.4, Alvarado Water Treatment Plant - Earl Thomas Reservoir, and \$637,762 from Water Fund No. 41500, CIP-73-331.0, Water

Pooled Contingency, provided that the City Auditor and Comptroller first furnishes one or more certificates demonstrating that the funds necessary for expenditure under established contract funding phases are, or will be, on deposit with the City Treasurer;

Authorizing the City Manager to execute Phase 2 of the agreement with Malcolm Pirnie, Inc. to provide engineering services for the Earl Thomas Reservoir Replacement in the amount of \$215,500;

Authorizing Funding Phase 1 (FY03) in the amount of \$2,916,971 from Water Fund No. 41500, CIP-73-261.4, Alvarado Water Treatment Plant - Earl Thomas Reservoir; and \$1,131,912 from Water Fund No. 41500, CIP-73-331.0, Water Pooled Contingency;

Authorizing the City Auditor and Comptroller to transfer excess budgeted funds, if any, to the appropriate reserves on advice of the administering department.

Subitem-B: (R-2002-1786 Cor. Copy)

Declaring that the information contained in the EIR and Addendum to LDR-40-0259 (certified by Resolution R-295593, adopted on October 10, 2001), have been reviewed and considered by Council in connection with the Alvarado Water Treatment Plant - Earl Thomas Reservoir Replacement;

Directing the City Clerk to file a Notice of Determination (NOD) with the Clerk of the Board of Supervisors.

NATURAL RESOURCES AND CULTURE COMMITTEE'S RECOMMENDATION:

On 5/15/2002, NR&C voted 4-0 to approve. (Councilmembers Peters, Wear, Frye and Madaffer voted yea. Councilmember Inzunza not present.)

CITY MANAGER SUPPORTING INFORMATION:

The Earl Thomas Reservoir Replacement Project is integral to the Alvarado Water Treatment Plant Expansion and Improvement Project as defined in the Water Department's Capital Improvements Program and approved by City Council in August 1997.

The Reservoir Replacement Project consists of demolishing the existing 35 million gallon reservoir and replacing it with a 35 million gallon pre-stressed concrete clearwell. The new clearwell will meet all current structural and seismic criteria, improve the quality of the water produced, and provide the additional long term reliable storage required at Alvarado Water Treatment Plant. Construction is expected to begin in late 2002 and finish in late 2004. \$27,291,405 is the construction component of the total project cost which, including Contract Change Order No. 1, is now estimated at \$34,356,431.

The City's application for \$21,525,249 from the California Safe Drinking Water State Revolving Fund Loan Program has been approved by the California Department of Health Services (DHS) for this Project. Once authorized by Council and secured by contract with DHS, this money will be available to partially fund the Earl Thomas Reservoir Replacement Project.

This request for Council Action is required to augment the authorized budget to account for increased costs resulting from the verified low bid coming in 13.28% higher than the engineer's estimate, and the restructuring of the City's Owner Controlled Insurance Program (OCIP) which resulted in the need to process Contract Change Order No. 1 for \$811,912.

The first apparent low bidder (Nielsen Dillingham Builders Inc. at \$25,358,732) was rejected by the City, on the recommendation of EOC, because they did not meet the bidding specifications. The next lowest bidder (C.W. Wylie Construction Co. at \$25,511,000) has been verified by the City as acceptable for the award.

FISCAL IMPACT:

The total cost of this project is \$34,354,488 of which \$30,765,831 was previously authorized. Funding for Phase I is available in FY2003, from Water Fund 41500, CIP-73- 261.4, Alvarado Water Treatment Plant - Earl Thomas Reservoir.

- * ITEM-111: Grant Application for California Heritage Fund Grant Program - Balboa Park - West Arcade Restoration Project - Phase I.

(Balboa Park Community Area. District-3.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2003-161)

Authorizing the City Manager to apply to the California Department of Parks and Recreation for a grant for funding from the California Heritage Fund Program for the Balboa Park West Arcade Restoration Project;

Authorizing the City Manager to take all necessary actions to secure and accept grant funds from the California Department of Parks and Recreation for the Balboa Park West Arcade Restoration Project including entering into a grant funding agreement for the project;

Certifying that the Council understands the assurances and certification contained in the Application form, including the following:

- a. That all architectural plans and specifications used as the basis for construction work on the Balboa Park West Arcade Restoration Project-Phase I, will be prepared and approved by a professionally qualified restoration

architect in conformance with the Secretary of the Interior's Standards for Archeology and Historic Preservation, and the California Historic Building Code.

- b. That the City of San Diego owns the property on which the project will be restored.
- c. That the City of San Diego has or will have sufficient funds to operate and maintain the project.
- d. That the City of San Diego shall begin the CEQA compliance process, if applicable, within 60 days after full execution of the grant contract and shall complete and comply with all CEQA requirements, if applicable, prior to release of the grant funds.
- e. That Phase I of the Project does not anticipate the preparation of any archeological investigations, studies, or reports, but that if any are prepared, they will be professionally prepared and approved by a qualified archeologist in conformance with the Secretary of the Interior's Standards for Archeology and Historic Preservation;

Authorizing the City Auditor and Comptroller to accept, appropriate and expend the grant funds, if secured, in accordance with the terms and conditions set forth in the grant funding agreement;

Authorizing the City Auditor and Comptroller to establish special interest-bearing fund for the grant, if secured.

CITY MANAGER SUPPORTING INFORMATION:

The State of California, Department of Parks and Recreation, Office of Historic Preservation administers the California Heritage Fund Grant Program under the Safe Neighborhood Parks, Clean Water, Clean Air, and Coastal Protection Bond Act of 2000. The intent of this program is to provide grant funding to historic and archeological preservation projects including acquisition, development (rehabilitation and restoration), and interpretation projects in California.

This action authorizes the City Manager to submit a grant request to the State of California, Office of Historic Preservation for the restoration and reconstruction of the Balboa Park - West Arcade - Phase I. Once funded, the project will fund the construction of the West Arcade. The West Arcade project is the last section of the Prado arcades to be restored and reconstructed. The Committee of 100, a non-profit organization formed in 1967 to save the remnants of the Spanish Colonial architecture in the Park, will contribute \$250,000 in matching funds to the project.

The Balboa Park - West Arcade project will be constructed in two phases. Phase I will construct the arcade including the arches, electrical, and minimal landscaping. Phase II includes the historic Spanish Colonial ornamentation and landscaping. The Committee of 100 will continue to raise funds for the completion of Phase II.

FISCAL IMPACT:

If the grant is secured, the City will receive up to \$300,000 from the State of California, Office of

Historic Preservation. The minimum required match for the grant is 50 percent of the total project cost. Total project costs for Phase I are estimated to be \$900,000. Funds committed to Phase I in addition to the \$300,000 California Heritage Fund include: Committee of 100, \$250,000; Balboa Park Arcade Capital Improvement Project, \$50,000; Council District 3 Deferred Maintenance/Matching Funds, \$100,000; and Park and Recreation Department Grant Match Funds \$200,000. A subsequent Council action will be required to authorize appropriation and expenditure of these funds within CIP-21-855.0, Balboa Park Arcade, contingent upon grant approval.

Subitem-B: (R-2003-74)

Approving the City Engineer's reports submitted in connection with the Maintenance Assessment Districts for Fiscal Year 2003.

Subitem-C: (R-2003-75)

Authorizing the City Manager to execute an agreement with Adams Avenue Business Association, for administration of Contracts for Goods and Contracts for Services for the Adams Avenue Maintenance Assessment District for a period of one year in accordance with San Diego Municipal Code section 65.0212, under the terms and conditions set forth in the Agreement.

Subitem-D: (R-2003-76)

Authorizing the City Manager to execute an agreement with Ocean Beach Mainstreet Association, for administration of Contracts for Goods and Contracts for Services for the Newport Avenue Maintenance Assessment District for a period of one year in accordance with San Diego Municipal Code section 65.0212, under the terms and conditions set forth in the Agreement.

CITY MANAGER SUPPORTING INFORMATION:

This action establishes the Fiscal Year 2003 assessments for 37 of the City's Maintenance Assessment Districts (MADs) and authorizes the Adams Avenue Business Association to manage the Adams Avenue MAD in FY 2003 and the Ocean Beach Mainstreet Association to manage the Newport Avenue MAD in FY 2003. Maintenance Assessment Districts are authorized by state law to assess benefitting property owners for maintenance and other service activities.

These activities include maintenance of landscaped and paved medians, landscaped right-of-ways and slopes, open space, mini-parks, community parks, ponds, flood control channels, monuments,

decorative street lighting, decorative gates, signage, banners, as well as cleaning of curbs and gutters, sweeping sidewalks, provisions of security services, and monitoring. There are currently 37 active MADs in San Diego.

State law requires that the City Council annually approve each MAD's assessment levy and Engineer's Report. The action being taken today will allow the levy to be placed on the County Property Tax roll and meet the legal requirements to provide the maintenance and other services to each MAD as described in the Engineer's Reports.

The following is a list of Maintenance Assessment District levys previously reviewed and approved in the City's Budget review process on June 10, 2002 and June 17, 2002 and as supported by the Engineer's Reports for FY 2003:

1. Adams Avenue MAD levy of \$32,273
2. Bay Terraces MAD levy of \$30,248⁽¹⁾
3. Calle Cristobal MAD levy of \$159,675
4. Campus Point MAD levy of \$24,769
5. Carmel Mountain Ranch MAD levy of \$263,363
6. Carmel Valley MAD levy of \$1,369,979
7. Carmel Valley Neighborhood #10 MAD levy of \$0⁽²⁾
8. Central Commercial MAD levy of \$216,806
9. Coral Gate MAD levy of \$57,436
10. Coronado View MAD levy of \$18,757
11. Eastgate Technology Park MAD levy of \$121,777
12. Webster-Federal Boulevard MAD levy of \$18,721
13. First San Diego River Improvement Project MAD levy of \$169,938⁽¹⁾
14. Gateway Center East MAD levy of \$147,884
15. Kings Row MAD levy of \$5,956
16. La Jolla Village Drive MAD levy of \$0⁽²⁾
17. Linda Vista Road MAD levy of \$91,889⁽¹⁾
18. Little Italy MAD levy of \$280,007
19. Mid-City MAD levy of \$313,365
20. Mira Mesa MAD levy of \$314,325
21. Miramar Ranch North MAD levy of \$646,858⁽¹⁾
22. Mission Boulevard MAD levy of \$45,215
23. Newport Avenue MAD levy of \$39,380
24. North Park MAD levy of \$309,188
25. Northwest Otay Mesa MAD levy of \$206,265
26. Otay International Center MAD levy of \$308,950
27. Park Village MAD levy of \$145,996
28. Penasquitos East MAD levy of \$184,326
29. Rancho Bernardo MAD levy of \$163,562
30. Sabre Springs MAD levy of \$80,166
31. San Diego Street Lighting District #1 MAD levy of \$275,015

35. Talmadge MAD levy of \$128,102
36. Tierrasanta Open Space MAD levy of \$500,384
37. Washington Street MAD levy of \$35,965

⁽¹⁾ MADs being balloted for a rate increase at a later date. Results of ballot may change the approved levy for FY 2003.

⁽²⁾ Due to a large fund balance in the MAD at year end, a levy will not be assessed for FY 2003.

Attached are the Engineer's Reports for all the above MADs with the exception of those preliminarily approved by Council on the MADs ⁽¹⁾ which will be given final approval after ballot results have been presented to Council at a later date.

Also, attached are agreements with Adams Avenue Association and Ocean Beach Mainstreet Association to do self-administration.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2002-1798)

Finding and determining that the Multiple Peptide Systems Project is not substantively inconsistent with the City's general plan as prepared and adopted in accordance with Article 5 (commencing with Section 65300 of the Government Code of the State of California) of Chapter 3 of Title 7;

Approving the issuance of the Bonds by the California Statewide Communities Development Authority, for the purposes of:

1. Section 147(f) of the Code by the applicable elected representative of the government unit having jurisdiction over the area in which the Project is to be located, in accordance with said Section 147(f) of the Code;
2. Section 9 of the Agreement; provided, however, that the adoption of the resolution by the City Council shall not:
 - a. create any liability on the part of the City, or
 - b. Constitute a waiver or relinquishment of any of its rights relating to land use approvals, permits or requirements necessary for the Project or jeopardize the City Council's appellate authority concerning any land use permits for the Project;

Authorizing and directing the officers of the City, jointly and severally, to do any and all things and to execute and deliver any and all documents which they deem necessary or advisable in order to carry out, give effect to and comply with the terms and intent of the resolution and the financing transaction approved hereby.

CITY MANAGER SUPPORTING INFORMATION:

The City Council is requested to hold a Tax Equity Fiscal Responsibility Act (TEFRA) hearing and adopt a resolution supporting issuance of tax-exempt conduit revenue private activity bonds by the California Statewide Communities Development Authority Joint Powers Agency (CSCDA) on behalf of the Applicant in order for it to receive the private activity bond volume cap allocation from

the State Treasurer's office needed to achieve tax-exempt status. CSCDA has previously issued conduit bonds for many other growing San Diego businesses' capital expansion projects and the City has previously held related TEFRA hearings.

The subject small-issue manufacturing Industrial Development Bonds (IDB's) will finance capital improvements to the applicant's 45,000 square-foot research grade and pharmaceutical grade synthetic peptides speciality chemicals manufacturing facility at 9395 Cabot Drive in the Mira Mesa community.

With the adoption of a City Council resolution supporting this CSCDA IDB financing, the Applicant will gain access to low-cost, tax-exempt financing at no cost or risk to the City, thus retaining 38 jobs and creating (in addition to temporary construction jobs) approximately 40 new permanent jobs.

FISCAL IMPACT:

Based on the proposed financing amount of up to \$6 million, origination fees totaling \$15,000 would be paid into the City's IDB Administrative Expense Fund (10240).

ITEM-251:

ARGUMENTS SUPPORTING OR OPPOSING PROPOSITIONS

For propositions approved by the Council for submittal to the qualified voters of the City of San Diego at the General Municipal Election to be held on Tuesday, November 5, 2002, the City Clerk has fixed 5:00 p.m. on Thursday, August 22, 2002, as a reasonable date prior to such election after which no arguments for or against City propositions may be submitted to the Clerk.

Any argument for or against any City proposition shall not exceed 300 words in length and may be filed by the Council, or any member or members of the Council authorized by the Council, or the bona fide sponsors or proponents of the measure, or any bona fide association of citizens or individual voter, or any combination of voters and associations.

All arguments must be accompanied by a statement signed by each author that the argument is true and correct to the best of his/her knowledge and belief. (Forms for this statement are available in the Office of the City Clerk.)

An argument shall not be accepted unless accompanied by the name or names of the person or persons submitting it, or if submitted on behalf of an organization, the name of the organization and the name of at least one of its principal officers. No more than five signatures shall appear with any argument submitted. In case any argument is signed by more than five persons, the signatures of the first five shall be printed.

Arguments may be changed or withdrawn by their proponents until and including the date fixed by the City Clerk.

Arguments shall be submitted to the City Clerk at the Office of the City Clerk, 2nd Floor, City Administration Building, 202 "C" Street, San Diego, California, 92101.
